## From the Principal

Dear Parents and Carers,

These last few weeks have seen some exciting developments from both our building sites. Last week the new grass area on the oval was opened up for the first time for our students to use and play ball sports. It created a real sense of excitement as the children rushed out to be the first to run across to the other side. This space has been well received by all, especially our older students as it now allows the students an opportunity to play a game of soccer. Now we wait for the completion of the Basketball/Netball court, which will be a very important piece in the development of the multisport space.

This week saw the removal of all the temporary fencing around the hall and the top yard (adventure play space). The students now have access to the Hall and the new breezeway space, allowing them the use of the student services entrance again for easy access to the front office.

The next stage will be to open the front entrance to families along the new promenade from Magill Road, allowing for great access to the

front office and the school.

Watch out for the new grass going in and the start of the play equipment.

### **Outdoor Education – School Camps**

Recently our Year 3/4 classes attended a camp to Hindmarsh Island. This was an overnight experience for the children with many outdoor activities including horse riding, orienteering, making butter and feeding the farm animals. We have a strong outdoor education program at our school with a camp run each year from students in Year 3 through to those in Year 6. This allows our students the opportunity to have four different camp experiences throughout their time at our school.

This year our Year 5 students will be attending a 3-day camp at Woodhouse Activity Centre and our Year 6 students will be attending a four-day trip to Kangaroo Island. In future years we hope to bring back our Year 6 Trip to Canberra as the restrictions ease. The trip to Canberra has been a big part of our Year 6 Leadership program and is a wonderful week, full of many educational experiences, including visiting the War Memorial, Parliament House, The Australian Institute of Sport and many other great venues that are link to the curriculum.

Each year the students build on their previous camp experiences and this assists with building their confidence and developing their knowledge about the world around them.

A few of the benefits of school camps are:

#### *Encouraging independence*

School camps can sometimes be the first time the students have been away from their comfort zone or safety net. Camps provide an opportunity for students to begin to take care of themselves, creating responsibilities and managing decisions in a safe and nurturing environment that will see them grow and develop their identity and sense of self over the course of their stay.

#### *The building blocks to self-confidence*

School camps encourage student participation in a wide selection of activities; each way they turn they are bound to discover another exciting activity. Self-confidence is enhanced as students are able to achieve and succeed in activities both independently and as a team. Camps provide encouragement, acceptance, support and a 'can do' attitude that enhances students ability to achieve a heightened self-confidence.

#### *Stimulating students' creative wild side*

One of the many benefits of school camps is stimulating students' creative wild side, placing them into nature, away from their digital devices and the overwhelming amount of social media. It is important to encourage creative minds to run free.

The benefits are endless and the rewards are life changing for students as they create life-long memories of their time here at St Joseph's School Tranmere.

### **Transition Morning**

Today we welcomed six new students to our school through our Little Stars Program. These mid-Year Reception students and their families were able to gather in our new multipurpose/OSHC space and have a chance to meet each other and begin their school journey. The children will have two more opportunities to transition into the school over the next two weeks and start school in Term 3. We welcome them and their families in to our school community.

Kind regards

Adrian Grbin

## **APRIM News**

On Sunday the church celebrated Pentecost. As promised to his disciples, Jesus sent the disciples (and us) a helper and advocate in the Holy Spirit. The language of the Holy Spirit is **universal** and is heard by many. The Holy Spirit has a language of justice, healing, peace, reconciliation, love and truth .....

Today you might like to reflect on when you have seen the Holy Spirit in action – what happened? what did someone do? how was understanding to a situation applied? what wise words did someone share with you? what did you learn or come to a greater understanding about humanity/dignity/forgiveness .....

On July 31<sup>st</sup> 2022 eighteen children in our school community will celebrate their Confirmation and First Eucharist at St Joseph's Parish. This is a time where the candidates fully receive the Holy Spirit and then receive Eucharist for the first time. This concludes their initiation into the Catholic Church and they can now call themselves full members of the church.

Please keep these young people and their families in your prayers at this special time.

## Keeping Safe: Child Protection Curriculum (KS:CPC)

At St Joseph's School we use the mandated Keeping Safe: Child Protection Curriculum (KS:CPC).

The KS:CPC teaches children and young people to recognise abuse, tell a trusted adult, understand what is appropriate and inappropriate touching and ways of keeping themselves safe.

### Themes

The curriculum is based on two main themes which are presented through topics and activities.

- Theme 1: We all have the right to be safe
- Theme 2: We can help ourselves to be safe by talking to people we trust.

### Focus Areas

The two themes are explored through four Focus Areas, which are examined in growing complexity in accordance with the age of the learners.

1. The right to be safe
2. Relationships
3. Recognising and reporting abuse
4. Protective strategies.

More information can be found on the KS:CPC website: [http://kscpc.2.vu/DE\\_ParentsCarers](http://kscpc.2.vu/DE_ParentsCarers)

## Reception Enrolment for 2022 and 2023

## OSHC Fullybooked Registration Information

### Fullybooked Registration

If you wish your child/children to attend Out of School Hours Care (OSHC) either After School or Before School Care, you are now able to manage your own bookings.

We require registration with '**Fully Booked**' prior to session attendance. This system is both user friendly and streamlined ensuring registration is a simple process.

Once registered, managing your bookings/cancellations can be accessed on any device, including mobile phones via the App.

Initial setup will require you to register an account and complete all necessary information required using the following link: <http://stjotran.fullybookedccms.com.au/family/>

Please contact Angela Girolamo [agirolamo@stjotran.catholic.edu.au](mailto:agirolamo@stjotran.catholic.edu.au) or Melanie Heaney [mheaney@stjotran.catholic.edu.au](mailto:mheaney@stjotran.catholic.edu.au) if you require further assistance.

At present, when booking your OSHC bookings with Fullybooked, your booking will automatically default to the session type (casual rate).

We also have 4 options available to parents when choosing their family bookings, these are for both permanent or casual bookings.

- Full Session Permanent
- Half Session Permanent
- Full session Casual
- Half Session Casual

These are available for both Before School Care and After School Care.

Unfortunately we are unable to change any past bookings. We ask that you check all the bookings you have made for the remainder of this year and for bookings you intend to make. Please make any changes before we return to school in Term 2.

**Once you have made bookings we are unable to make changes.** We appreciate your understanding and cooperation.

## How to Volunteer in our School

### Information for Volunteering - Due to changes in the Child Protection Act

At St Joseph's School Tranmere, we are always grateful for the support given by our volunteers. Volunteering applies to a wide range of activities in the school including attending excursions, coaching sports teams, reading in the classroom, helping in the many committees and many other school-related activities.

If you would like to act as a volunteer in the school, you are required to have a 6-point check. Please provide the school with copies of the following:

- **Completed CESA Volunteer Registration pack - available from the school office**
- **A Catholic Police Check Clearance or Working With Children Check (WWCC from the Department of Human Services (if you need to obtain this clearance please come to the school office)**
- **A RRHAN-EC (Responding to Harm, Abuse and Neglect in Education and Care) training Certificate**
- **Work Health and Safety on-line Induction for Volunteers Certificate**
- **Work Health and Safety signed form**
- **COVID Status Certification**

Please note: that all these processes are mandatory and must be completed in order to volunteer/continue to volunteer. This requirement is designed to ensure our children are protected and safe at school.

If you are missing any documentation above I can send you links to complete the paperwork once I receive your Completed CESA Registration Pack
